

How to Draw a Puppy (Step by Step)

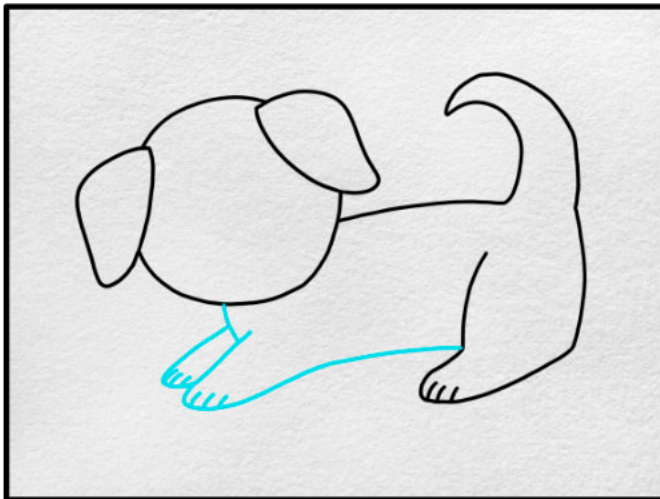

1 Create the head of the puppy by drawing a circle.

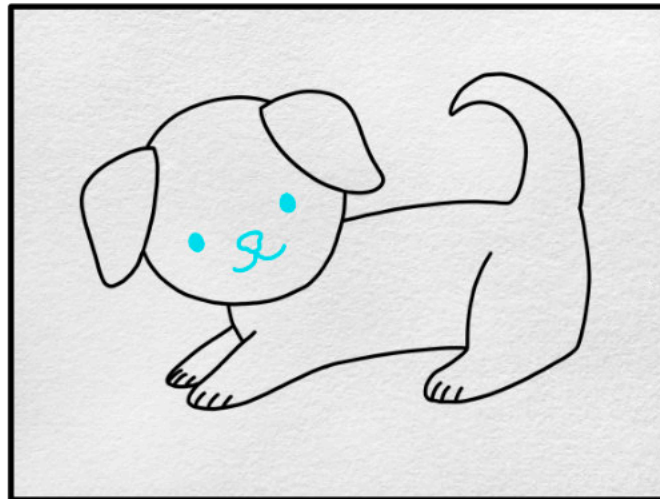

2 Erase part of the circle and add floppy puppy ears.

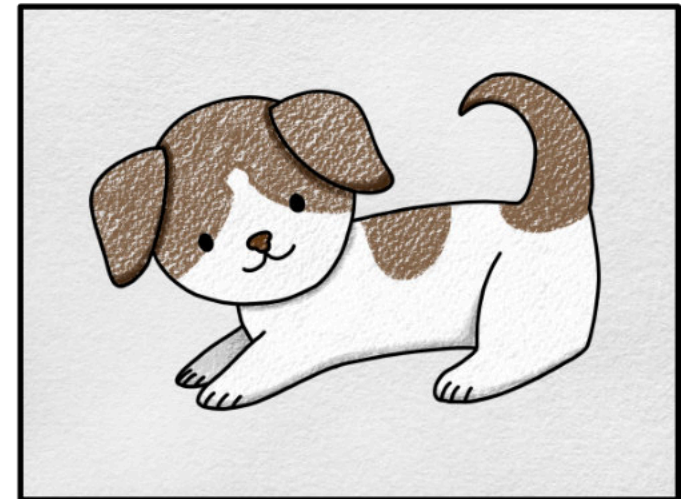

3 Draw the leg and tail as shown.

4 Now add the front paws.

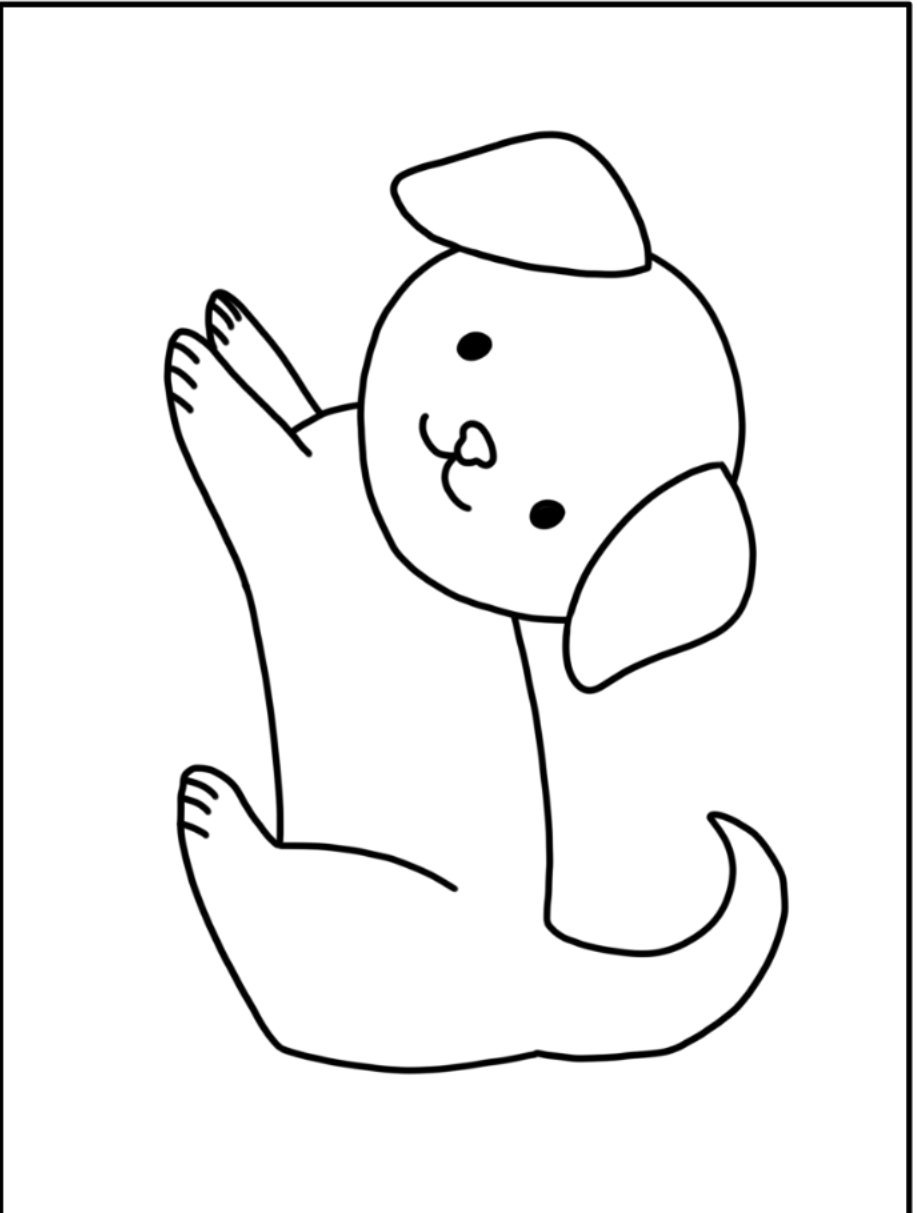

5 This puppy needs two eyes, a nose and a mouth.

6 Give this puppy some colorful spots and complete the drawing.

How to Draw a Puppy (Step by Step)

Can you draw some toys this puppy might want to play with?
