Scary Eyes Drawing

1. Draw a small vertical oval.
2. Add another vertical oval above the first one.
3. Draw a larger vertical oval above the previous ovals.
4. Add two small ovals inside the larger oval.
5. Sketch a jagged line around the eyes to create a reptilian appearance.
6. Color the eyes red and the jagged line black.
Scary Eyes Drawing

Now draw some bats flying around in the background!
